

## Warranty

Control Electronics and motors  
2 years from shipment date

All Mechanical Components  
1 year from shipment date

Computer/Monitor/Mouse/Keyboard  
120 days from shipment date

Damaged/defective item will be, at LDR's option replaced or repaired at LDR's cost.

LDR will pay return shipping for repaired or replacement items. Standard method is ups ground or usps flat rate. If quicker method is needed additional cost is covered by customer.

Customer pays all shipping/postage to return damaged/defective item for inspection/repair/replacement

Returned item's packaging must be adequate or warranty is void

Warranty does not cover abuse, misuse, modifications by customer nor repairs attempted by customer

In no way does this warranty cover any "loss of production" costs

If machine is picked up at our facility, warranty does not cover any damaged incurred during transport
